

MMI Preparatory School Wall of Fame

The MMI Wall of Fame was established to honor and recognize alumni, volunteers, non-sitting board members and past faculty and staff of MMI or of the Mining and Mechanical Institute, who have distinguished themselves in the area of athletics, business, sciences, education, government, public service, the arts or the humanities. This distinction is defined as the achievement of a position recognized to be a major significance in their chosen field, to be part of a team recognized for significant accomplishments in its chosen field, or to someone whose efforts have contributed significantly to the betterment of MMI.
