2026 Summer Camps

FUN-FILLED SUMMER CAMPS

for young learners in **Northeast Pennsylvania!**

**Art
Camps!**

**Sports
Camps!**

**STEM
Camps!**

Fun and learning don't stop just because the school year does.

This summer, MMI Preparatory School is offering a series of unique camp experiences on our campus to help young learners stay curious and keep learning during the break.

You and your child can choose from a number of STEM, art, and athletic camps presented by our staff, Minds in Motion, and L&K Productions.

MMI's summer camps are open to anyone!

Campers staying all day should bring a water bottle and bagged lunch. Campers will be supervised over the lunch break.

Space is limited. Register today!

Complete the form in this booklet, and send it with your payment by July 1st to:

MMI Preparatory School
Attn: Dr. Lisa Ferry, Summer Camp
154 Centre Street
Freeland, PA 18224

You can also visit our website at www.mmiprep.org/camps or call (570) 636-1108 to register.

WEEK 1 CAMPS

July 6-10, 2026

Messy Art Camp

Time: 9 am - 12 pm

Ages: 6-9

Instructor: Mrs. Laurie Mele

Price: \$175

Get ready to splash, squish, smear, and create! Messy Art Camp is where artistic fun meets glorious chaos — a judgment-free zone where the messier, the better! Young artists will explore a wide range of hands-on projects, including finger painting, nature collages, and so much more. Every day brings a brand-new creative adventure designed to spark imagination, build confidence, and celebrate the joy of making art. No experience needed — just a love of color, creativity, and getting a little (*Okay, a lot*) messy! Old clothes are encouraged, and big smiles are guaranteed.

Mini Medical Camp I

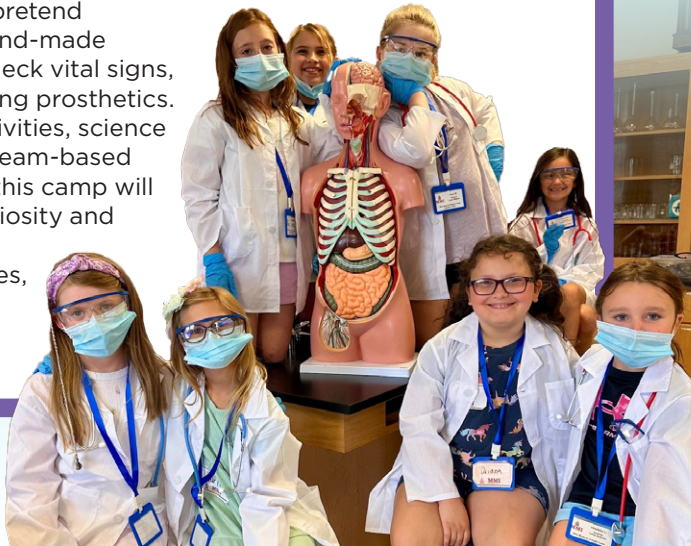

Time: 9 am - 12 pm

Ages: 7-12

Instructor: Ms. Michele Tyburski

Price: \$195

Mini Medical Camp I is an exciting, hands-on summer camp where students explore the world of health and medicine through interactive activities, experiments, and role-playing as young doctors. Campers will learn about first aid basics, healthy habits, and medical careers while participating in fun challenges, like “scrubbing in” for pretend surgeries, using hand-made stethoscopes to check vital signs, and creating working prosthetics. With engaging activities, science experiments, and team-based medical missions, this camp will spark scientific curiosity and inspire the next generation of nurses, doctors, and healthcare heroes!

Bonjour La France! Camp

Time: 9 am - 12 pm

Ages: 6-9

Instructor: Mrs. Natasha Keyser

Price: \$175

Children will take a playful journey through the French language and culture. Campers will learn basic French words, colors, and numbers through songs, games, stories, and hands-on activities. Each child will receive a pretend passport, which will be stamped as they "travel" through the week.

Robomonorail Makers Camp

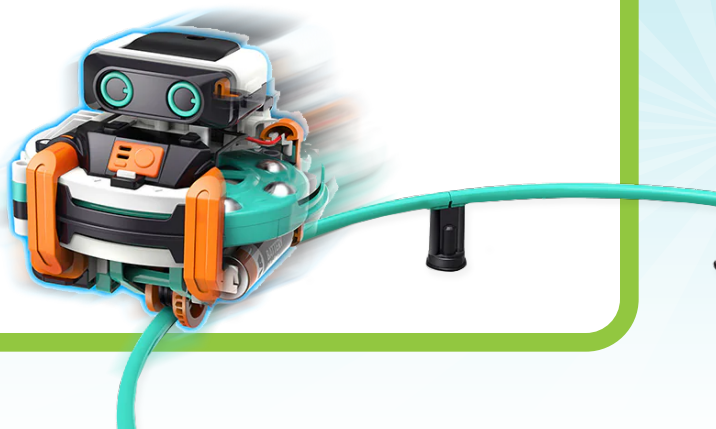

Time: 9 am - 12 pm

Ages: 8-12

Instructor: Minds in Motion

Price: \$175

Blast into the future of transportation and build your very own Robot Monorail System! Watch in awe as your RoboRails Robot balances on a single wheel and zips along a track, powered by a super-fast gyroscope and monowheel. Get ready to unleash your inner engineer with over 180 durable track pieces. You can follow the 26 awesome layouts in the manual or let your imagination run wild and design your own unique monorail system! With special connectors like the seesaw, splitter, and cross switch, you'll add cool twists, turns, and challenges to your track that make it one-of-a-kind. Dive into hands-on experiments that explore cool physics concepts like rotational motion, acceleration, and angular momentum as you see gyroscopic forces in action. Are you ready to build the monorail of tomorrow? The adventure starts now!

LEGO® Storm! Camp

Time: 9 am - 12 pm

Ages: 7-14

Instructor: L & K Productions

Price: \$175

Are you ready for a storm like no other? Our specialists are saying the flood of LEGO bricks will arrive on Monday and won't stop until Friday. In this year's LEGO camp, you will battle the storm of LEGO bricks to create a stop-motion animated film using only LEGO. Come join us as we teach you the basics of stop-motion animation and a variety of ways to build. You'll even get to take home one of your very own creations! And if you are more of an advanced animator/builder, don't worry. We have plenty of skills to teach you, too! You'll also experience what it's like to be on a green screen and be shrunken down next to your LEGO creation in your very own photo that you can take home. But that's not all! Get ready to start your engines! We'll be assembling your own race car to compete in a LEGO racing event, and for the first time, we have added a brand-new extended LEGO track for the longest race we've ever done. So this summer, come join L&K Productions where you can make your very own LEGO Storm!

Girls Basketball Camp

Time: 12:30-3:30 pm

Ages: 7-15

Coach: Mr. Frank Romero

Price: \$100

Develop your skills under the guidance of Coach Frank Romero. This camp is designed for grades 2nd through 9th. Each camper gets a t-shirt, and awards will be given.

Mini Medical Camp II

Time: 12:30-3:30 pm

Ages: 7-12

Instructor: Ms. Michele Tyburski

Price: \$195

PREREQUISITE: MINI MEDICAL CAMP I IN 2025.

Mini Medical Camp II brings things to the next level. Campers must have already taken Mini Medical Camp I last year to join this camp.

Volleyball Camp

Time: 12:30-3:30 pm

Ages: 8-14

Led by: MMI Coaching Staff

Price: \$100

For boys and girls entering the 4th through 9th grades, this camp will work on fundamentals, serving, rotations, and various other aspects of volleyball.

Paris Fashion Camp

Time: 12:30-3:30 pm

Ages: 7-10

Instructor: Mrs. Natasha Keyser

Price: \$175

In this creative and playful French Fashion Camp, children will explore the world of French style, colors, and creativity — no sewing experience or French required! Inspired by Paris, famous designers, and everyday French life, campers will design outfits, create accessories, learn basic French words, and express themselves through art, movement, and imagination. The camp will end with a mini fashion show, where children will proudly present their creations.

Future Engineers Camp

Time: 12:30-3:30 pm

Ages: 8-12

Instructor: Minds in Motion

Price: \$175

If you like to create and build things, this program is for you! Enjoy an adventure of physics, gravity, and action, and take home your very own engineering kit! Through 26 model-building exercises, you'll investigate all six classic simple machines — wheels and axles, levers, pulleys, inclined planes, screws, and wedges — as well as gears. Students will follow easy step-by-step illustrated instructions to build each model, which includes a balance scale, elevator, and geared carousel! Test your new creations to demonstrate basic laws of physics and how they exist in our everyday lives! Young researchers will gain hands-on experience with the design process and learn about various topics in the fascinating world of engineering. Come obtain the necessary skills and experience to take on the technological challenges of the future and continue your engineering journey at home!

Ready, Set, Film: A Film Camp

Time: 12:30-3:30 pm

Ages: 7-14

Instructor: L & K Productions

Price: \$175

Are you **READY** to be the star of your own film? Have you always wanted to learn how they do all of those amazing things that you see in movies like green screening, special effects, makeup, and backgrounds? Then get **SET** to join us for a film camp like no other! We'll show you how to do special effects like flying, going invisible, using magic, or even making it snow. You'll also be able to create your own background, set, and props, and see how a green screen works. We'll place you into your very own creation for a photo that you'll be able to take home with you! We'll also go through what happens on TV/movie sets and let you act, direct, edit, do voiceovers, and work the camera. Once your film is complete, you'll be able to have a copy of it so you can watch it whenever you want at home! At the end of the week, we'll even let you create, direct, and film by yourself! So this summer, come join L&K Productions and be a part of your very own **FILM!**

WEEK 2 CAMPS

July 13-17, 2026

STEAM Art Camp

Time: 9 am - 12 pm

Ages: 6-10

Instructor: Ms. Michele Tyburski

Price: \$175

Merging science and art, campers will create projects including pendulum painting, acrylic paint and baking soda, marble painting, light up name signs (using LEDs), and recycled windchimes from common objects just to name a few.

Boys Basketball Camp

Time: 9 am - 12 pm

Ages: 8-15

Coach: Mr. Joe Flanagan

Price: \$100

This camp is under the direction of MMI Varsity Basketball Coach Joe Flanagan and his staff, who led the MMI Preppers in winning the 2023-2024 District II Class A Championship and advancing to the Elite Eight in the State Tournament. The camp is open to boys aged 8-15. Basketball Camp will focus on fundamentals, as well as individual and team competitions. Awards will be given in all divisions.

Little Chefs of France Camp

Time: 9 am - 12 pm

Ages: 6-9

Instructor: Mrs. Natasha Keyser

Price: \$175

In this playful French cooking camp, children will discover the flavors and traditions of France through no-cook recipes, games, and imagination. Campers learn basic French food words, explore cafes, and become "little chefs" while practicing teamwork and confidence. All activities are hands-on and interactive for children who enjoy pretending, creating, and learning through play. No prior French language or cooking experience needed.

CyberCrawler Robot

Time: 9 am - 12 pm

Ages: 7-11

Instructor: Minds in Motion

Price: \$175

Build and take home your very own CyberCrawler Robot! This smart coding robotics kit entertains and teaches programming skills to inquisitive young future robotic engineers! With the aid of your instructor, you will each assemble your own robot that consists of 76 pieces. Once completed, a simple press-button programming keypad embedded on its cranium will send your CyberCrawler on its way! You can design obstacles and maze courses with your classmates and see how far you can go. With a maximum storage capacity of 64 tasks, your CyberCrawler Robot will be a terrific starter tool to learn the joy of coding. This very cool robot's LEDs illuminate as it executes whatever you command. Come and join this fascinating and educational robotic experience!

Soccer Camp

Time: 9 am - 12 pm

Ages: 8-14

Led by: MMI Coaching Staff

Price: \$100

Want to learn soccer fundamentals, work on drills, and master ball-handling skills? Then join this camp for boys and girls.

Sunshine Arts Summer Camp

Time: 9 am - 3:30 pm

Ages: 8-12

Instructors: Ms. Jen Gerhard

& Mrs. Joanne Oakum

Price: \$275

FULL-DAY CAMP

CAMPERS SHOULD BRING A WATER BOTTLE AND BAGGED LUNCH.

Get ready for a week bursting with color, rhythm, and imagination! Campers will explore art and music inspired by cultures from around the world. Every child will have the chance to shine, build new friendships, and discover their own creative superpowers. It's a joyful, hands-on adventure where art and music truly come alive!

CSI: Crime Scene Investigations

Time: 12:30-3:30 pm
Ages: 7-11

Instructor: Minds in Motion
Price: \$175

Come join our Minds in Motion Crime Team in this fun and interesting program! We will provide you with all the tools you need to become your very own crime scene investigator. Learn all about forensics, searching for evidence, and gathering clues. Plus, bring home your very own detective kit! Working in groups, you will conduct many science experiments in our crime lab to solve the mysteries at hand. You will learn all about fingerprinting and how to classify them and bring home your very own fingerprint classification sheet! You will also perform chemical analyses and observations working with powders, liquids, and much much more! Be amazed at how much science plays a part in solving a crime. Come ready with your thinking caps and be prepared to use all the skills necessary to solve the crime of the century and help save the Minds in Motion Laboratory! We need you!

Ooh La La! Paris Camp

Time: 12:30-3:30 pm
Ages: 6-9

Instructor: Mrs. Natasha Keyser
Price: \$175

This camp features different content and activities than the previous week's Bonjour La France! Camp, making it perfect for both returning and first-time campers. Campers will learn new French words and phrases through games, songs, and hands-on activities, explore Parisian culture, enjoy English versions of French children's books, and participate in creative projects inspired by life in France's capital. Children will collect daily stamps or stickers in a themed travel journal as they complete fun Paris-inspired activities and will have the opportunity to taste simple French treats.

Secret Agent Camp

Time: 12:30-3:30 pm

Ages: 6-10

Instructor: Ms. Michele Tyburski

Price: \$175

Through a combination of labs and code-breaking exercises, campers will learn essential secret-agent skills, including fingerprinting, making/using invisible ink, building periscopes, and more!

Esports Camp

Time: 12:30-3:30 pm

Ages: 10-14

Instructor: Mr. EJ Kupstas

Price: \$175

This camp introduces campers to the world of competitive gaming in a structured, educational environment. Campers will learn the fundamentals of Esports, including teamwork, communication strategies, game mechanics, and sportmanship. Campers will also learn shoutcasting, streaming basics, event organization, and intro to the technology that powers modern gaming setups.

WEEK 3 CAMPS

July 20-24, 2026

Busy Bee Camp

Time: 9 am - 12 pm

Ages: 6-9

Instructor: Mrs. Natasha Keyser

Price: \$175

Buzz into an unforgettable week of discovery at our bee & beekeeping camp! Designed for ages 6-9, this hands-on camp explores the amazing world of honeybees through interactive activities, crafts, games, science experiments, and real beekeeping equipment demonstrations. Campers will learn how bees live and work together, why pollinators are essential to our food supply, and how honey is made, all while building, creating, tasting, and moving like real worker bees. It's a fun, educational adventure that will inspire curiosity, teamwork, and a love for the natural world.

AI Smartcore 4 Robot

Time: 9 am - 12 pm

Ages: 6-10

Instructor: Minds in Motion

Price: \$175

Dive into the exciting universe of robotics by building and taking home your very own AI SmartCore 4 Robot! This remarkable kit features 4 separate modular smart vehicles that are powered by cutting-edge AI SmartCore technology! It allows the All-Terrain Cube to navigate directions with balance and predictability, enables Super Snake to entertain the most curious of four and two-legged friends, empowers Turbo Trike to cruise at high speeds while maintaining control, and transforms Titan Tank into a roving explorer. Whether navigating tricky terrain, zooming at top speeds, or exploring new territories, every day promises hands-on fun and learning! With 42 easy-to-snap-together parts, a remote control, and a rechargeable LiPO battery, it's perfect for new robot builders eager to master robotic engineering! Ready to build the future? Join us and let your imagination take flight!

Disaster Detectives Camp

Time: 9 am - 12 pm

Ages: 6-10

Instructor: Ms. Michele Tyburski

Price: \$175

Learn about a different type of natural disaster each day and complete a project related to each: building earthquake-resistant buildings, making volcanoes, building hurricane-proof houses, and conducting weather-related experiments.

Spanish Cooking & Art Craft Camp

Time: 9 am - 12 pm

Ages: 8-12

Instructor: Mrs. Syra Dewar

Price: \$175

Designed for kids ages 8 through 12, this camp is a hands-on adventure in creativity and culture. Children will learn to make delicious Spanish and Latin American treats like empanadas, tres leches, and tortilla de patata, exploring new flavors and cooking skills in a safe, engaging environment. They'll also get crafty with a piñata-making workshop, where they'll design, build, and decorate their colorful creations to take home. With music, storytelling, and plenty of hands-on fun, this camp is the perfect way for kids to develop new skills while discovering the rich traditions of Hispanic culture!

Boys and Girls Tennis Camp

Time: 9 am - 12 pm

Ages: 11-15

Coach: Mr. Ed Telatovich

Price: \$100

Whether you are just starting out or have had some tennis exposure already, this camp will help you build your skills. Join the MMI Varsity Tennis Coaches for warm-ups, hitting drills, group and individual game activities, and cool-down periods. Attendees are expected to supply their own tennis racquet and wear appropriate summer outdoor court shoes and attire.

Girls Softball Camp

Time: 12:30-3:30 pm

Ages: 11-15

Led by: MMI Coaching Staff

Price: \$100

Join the MMI Varsity softball staff to improve your swing, get advice on your throw, learn the basics, and have fun! All campers will receive a gift. Campers should bring a glove, bat, and helmet, if they have one. Limited equipment will be available. Whether you are a seasoned player or just want to learn more about the sport, this camp is sure to make you want to play ball!

Asian Cooking Camp

Time: 12:30-3:30 pm

Ages: 9-14

Led by: Mrs. Christina Spencer

Price: \$175

Ready to spice up your summer? Explore the flavors of Asia in our hands-on cooking camp! From sizzling stir-fries to delicate dumplings, you'll learn to cook authentic dishes from China, Japan, Korea, and beyond. No experience is needed — just bring your appetite and creativity! Spaces are limited, so sign up today and taste the adventure!

Baseball Camp

Time: 12:30-3:30 pm

Ages: 8-12

Led by: MMI Coaching Staff

Price: \$100

Join the MMI Varsity Baseball staff to improve your swing, get advice on your throw, learn the basics, and have fun! All campers will receive a gift. Campers should bring a glove, bat, and helmet, if they have one. Limited equipment will be available. Whether you are a seasoned player or just want to learn more about the sport, this camp is sure to make you want to play ball!

Chemical Creations

Time: 12:30-3:30 pm

Ages: 6-10

Instructor: Minds in Motion

Price: \$175

Come experience a hands-on world of fun as you conduct a variety of scientific experiments! You will work on and take home your very own Chemistry Lab Kit, enabling you to complete many activities! Learn and discover many different scientific concepts in an entertaining and innovative approach. You will be trained to work like a real scientist in the lab. You will also make and take home some cool chemical creations! Learn all about energy and molecules and create a crazy bouncy glob from glue and some scary green slime! Make your very own UV bracelet and watch it react to the sun. You will also get to witness some amazing scientific demonstrations from your instructor. Watch snow being created and feel how cold it is! Experience a powerful magnet, magic sand, and many other exciting experiments in this fascinating and educational program!

2026 MMI Summer Camp Registration Form

On the opposite page, check the camps you want to register for, then complete this form.

Detach these two pages, and return them to MMI with your payment by July 1st.

You can also register at www.mmiprep.org/camps or by calling (570) 636-1108.

Camper Information:

Student's Name: _____

Date of Birth: _____ Gender: _____ Grade in Fall 2026: _____

Student's Mailing Address: _____

City / State / ZIP: _____

Parent / Guardian Name: _____

Parent / Guardian Phone: _____ Email: _____

I hereby give MMI permission to take and use photos and video of my child on its website, social media accounts, in advertisements, and in future camp publications.

Yes No

Some camps may provide t-shirts, please provide your child's size here:

T-shirt Size: _____

Emergency Contact Information:

Emergency Contact: _____

Address: _____

City / State / ZIP: _____ Phone: _____

Medical Information:

Hospital / Clinic Preference: _____

Physician's Name: _____ Phone: _____

Allergies / Health Considerations: _____

In a medical emergency, I hereby authorize the school to seek emergency medical assistance for my child if I cannot be reached.

Yes No

If the situation warrants, authorized MMI personnel have permission to give my child:

Tylenol Antacid

Parent / Guardian Signature: _____

Please make all checks payable to MMI Preparatory School. By registering, you understand that certain camps may present a risk for personal injury and you accept that MMI Preparatory School is not liable for injury sustained in the normal course of camp operations. It is imperative to have complete emergency contact information prior to the start of camp. In the event camps cannot run, registrants will receive a refund or credit for future camps.

Space is limited. Send your forms and payment to:
